

# BAG and TIE

## Garbage and Grass

SHOO  
FLY!

Maricopa County regulations and Chandler City Code requires residents **bag and tie garbage & keep the container lid closed.**

Bag and tie reduces concerns for...

- Unsanitary conditions
- Breeding of flies
- Spillage on roadways

Perishable garbage that requires "bag and tie" includes:

- Food Waste
- Animal Waste
- Diapers
- Grass

Plastic grocery bags are an easy way to secure perishable garbage such as food and animal waste, diapers, grass, etc.

Please help maintain sanitary conditions and prevent spillage in your neighborhood by keeping container lid closed; and, using plastic bags to bag and tie perishable garbage and grass.
